

 **RELIABLE:**  
COUNT ON US

TAKE THE OPPORTUNITIES

# WHIP YOUR MACHINES INTO SHAPE

every crisis is an opportunity. We do not leave you alone and support you in hard times. **Use the free time.**

We are convinced that the next economic upswing is sure to come and you will be prepared for it.

Did the production in your company come to a standstill? In that case use the released capacities to whip your machines into shape and bring them to the latest state of the art technology.

Together we will find a solution.

We look forward to visiting you at your place and

- ✓ **repair, maintain** or **optimize** your idle machines Maschinen
- ✓ **until the 30th of June 2020** we allow a discount to the amount of **5%** on service and spare parts
- ✓ work **24/7** and **during the weekend** for you
- ✓ provide you with **outstanding low traveling expenses**
- ✓ present ourselves as a **fair and reliable** partner when it comes to **payment**

-  **HIGH CUSTOMER SATISFACTION**
-  **FAST REACTION TIMES**

**MOBILE AND FLEXIBLE IN TERMS OF TIME**

# WE WILL SUPPORT YOU

Together with you we will face the current situation. We remain mobile inside Germany and many European countries which allows us to work for your company wherever you want. Moreover we are able to work for you in your absence. In „times of Corona“ this is safer and leads to a quick start after overcoming the crisis.

Ask directly to an optimization. A **brief description** about the machine problem or malfunction **will be enough** to submit you a **non-binding offer**.

Our competent team consultants **Dr. Ingo Gehlhaar** will welcome you and your question under **+49 (0)5625 - 9210 606**.

For us, standstill means progress. Resolute and for your benefit.

## WHEN IT COMES TO MACHINES: ANY QUESTIONS?

In that case don't hesitate to contact us. Whatever the subject is, Dr. Ingo Gehlhaar and me would love to hear from you!
